

Building Blocks

October 21, 2005

Coming Up:

GOOSEPIMPLES: Katie O'Brien's show is currently playing at Café Theatre in Toms River. It's an interactive Rock & Roll fairy tale and includes lunch. For more info call 888-456-7469

HALLOWEEN NIGHT: Sunday, Oct 30th at 6pm. More info below. I'm still looking for some help with the Halloween night. I need help with some games and with the worship service.

LOCK-IN: Friday night November 11th we're teaming up with the crew from Fellowship Chapel to have one stickin' kickin' lock-in. (Say that 5 times fast) Make sure you put your name on the sign up sheet on the youth board.

Fun[d] Raising

The numbers are in for our Tupperware Fun(d) raising project. We made a profit of...Drumroll...\$617.00. Good work everybody!!! For our next trick... Holiday gift catalogues are available in Kevin's office.

Looking for Musicians

I'm looking for musicians (as if you couldn't figure that out from the title) for a confirmation "house band" much like Paul Schafer's on Letterman. We'll rehearse every Tuesday from 5 to 6pm and play for confirmation every week. And the best part? Free dinner! If you're already in confirmation, great! If you're not in confirmation- no problem. If you don't play an instrument and can't carry a tune in a bucket- well, we might have some issues there. We need singers, guitarists, bass players, drummers, maybe even some piano players, and maybe even some brass for holy huddle nights. (Ska music of Jesus!!!) If this sounds like something you'd want to try out give me (Kevin) a call or email, or just talk to me on Sunday.

Family Halloween Night

All Hallows Eve is fast approaching and we're going to have a party for it Sunday, October 30th at 6pm. Of course there will be candy, games, prizes but there will also be a worship service about fear. I would really like some youth help in putting together this evening and especially the worship. If you're interested give Kevin a call. If you're not, I might call you anyway.

Service Project

The 5th and 6th grade Sunday school classes are asking for help. They'll be sending care packages to our church members away at college and they're looking for donations of these items (in no particular order): Bags of hard candy and mini candy bars, Microwaveable popcorn, gum, sunflower and pumpkin seeds, hot chocolate, Ramen noodles (in the bags, they're easier to pack.) They're also looking for non-food stuff like: Phone cards, best selling novels (no trashy stuff) Devotional books, Christian CDs, 06 calendars (pocket size), plain note cards, pens, and postage stamps. Donations can be put in regular sized shoeboxes and dropped off in the Sunday school office.

Kevin's Korner

Earlier this week at Confirmation we began talking about the creation story from Genesis. The whole discussion brought up some interesting questions and thoughts and I'd like to hear yours. So in my korner this week I'm just going to ask some questions. What's the hardest thing to believe about the Bible's account of creation? What's the easiest? How do you think the world came to exist? Does the Bible's creation story make the rest of the Bible easier or harder to believe? Why? Think about these questions. I'd love to hear your ideas. Also for 7th and 8th graders we'll be talking about this more in our Forum Sunday mornings at 9:30am.

This week's cell phone hours: All week 4-6pm (315) 529-3691
Until Next Week,
Kevin

Bible Verse of the week:

God says "Where were you when I laid the foundation of the earth? Tell me if you have understanding." -Job 38:4
